

NTO/GTO/STO Table Display Ideas

Stand out at your new-teacher orientation (NTO), general-teacher orientation (GTO) or student-teacher orientation (STO). Whether your local unit spends \$100 or \$400, you will be surprised at how professional your display table can look!

Order promotional items at atpe.org or by using the order form found in the ATPE promotional items catalog. This catalog should be included in the membership materials box sent to your local unit president in late June. Items are sold individually and are not available as a package.
